Dear gymnasts and coaches,

We hope you have had a good start to the new season. Our organizing committee started planning a long time ago, because 2027 marks a very special anniversary: the Züri-Oberland Cup is taking place for the 30th time! On May 29 and 30, 2027, the Sporthalle Buchholz in Uster will once again be transformed into an artistic gymnastics arena, and we would be delighted to welcome you.

As usual, registration is done via our homepage. You will find your personal invitation link in this email. Please use only this link to register.
The registration deadline (including payment of the entry fees) is February 7, 2027.

We look forward to two anniversary competition days full of team spirit, strong routines and wonderful encounters – and to celebrating the 30th edition of the Züri-Oberland Cup together with you!

Best regards
